

# Member Benefits

The Tri-Valley Nonprofit Alliance welcomes nonprofit organizations, businesses, consultants and individuals within the nonprofit community to join as members. Memberships are valid for one year and extend to all persons within the nonprofit organization or business. Membership benefits are accessible once membership dues are paid and processed.

The Tri-Valley Nonprofit Alliance mission is to provide local nonprofit organizations with opportunities to meet, collaborate, share resources and strengthen each other as they work to raise community awareness and strive to achieve their missions.

Becoming a member supports TVNPA in providing education, networking opportunities and resources to nonprofit organizations throughout the Tri-Valley and Bay Area. Membership fees enable us to continue offering our Monthly Meetings free of charge to the community at large and to launch our innovative *Communities of Practice Program* for members... and so much more!
